APPEAL

DISCIPLINE

Battle of Robots

REASONS FOR FILING

1. It is against the rules to ~~turn~~ turn the robot to flip the switch on bot. ~~They~~ The procedure of technical act was compromised, DS should have been allowed to fight.
2. On the damage scale our robot was less damaged, in case that should be (4-1 damage) or 3-2-1 one. There's no way our will be these scoring that would be 17-1.
