APPEAL

DISCIPLINE

Battle of Robots

REASONS FOR FILING

We feel the judges decision was not accurate. We had less damage, with full weapon and partial drive. We chased them for 2 minutes. Our Front wedges are sacrificial.

DISCIPLINE

Battle of Robots

REASONS FOR FILING

CHANGE OF DECISION IN RESULTS:

→ As per the scoring system we scored more points, there was functional damage in both Robots, I bot weapon they lost Drive; thus the damages are equal and they had more cosmetic damages too and all their forks are gone.

TEAM NAME

→ Aggression: we gave all the hits in the entire match, there were no hits from Cobalt
→ control: we had shown drive control to the best since the start. Cobalt never can approach us
