II. SPECIAL PROVISIONS

9. The specifics of holding Dota 2 matches

- 9.1. The game lobby is created by the match referee.

Only the participants of the Competition registered for the current match and the Officials of the Competition may enter the game lobby. Any other persons may enter the Competition lobby only with the permission of the Organizer.

- 9.2. Game lobby settings:

Game Mode – Captains Mode

Server Location – Dubai

Allow Spectating – Allow

DotaTV Delay – 15 min

Coach Availability – Disable

- 9.3. Selecting the side and the order of the pick / ban priority:

- 9.3.1. For match format Bo3 (best of three).

First Game: Selected by a «Coin Flip». The winner of the «Coin Flip» chooses the side or order of picks for which their team will participate in the first game.

Second Game: The order of priorities between the teams is reversed.

Third Game: Selected by a «Coin Flip». The winner of the «Coin Flip» chooses the side or order of picks for which their team will participate in the third game.

- 9.3.2. For match format Bo5 (best of five).

First Game: Selected by a «Coin Flip». The winner of the «Coin Flip» chooses the side or order of picks for which their team will participate in the first game.

Second Game: The order of priorities between the teams is reversed.

Third Game: Selected by a «Coin Flip». The winner of the «Coin Flip» chooses the side or order of picks for which their team will participate in the third game.

Fourth Game: The order of priorities between the teams is reversed.

Fifth Game: Selected by a «Coin Flip». The winner of the «Coin Flip» chooses the side or order of picks for which their team will participate in the fifth game.

9.4. Participants of the Competition are responsible for their actions/inactions in the game. If a Player accidentally leaves the game or picks the wrong character, skill or item, it shall not be deemed as a valid reason for a match remake.

9.5. Determining the winner of the game:

9.5.1. The winner is the team that destroyed the opponent's throne. The team can admit defeat in the game early. To do this, it must surrender according to the in-game mechanics.

9.5.2. If a team requests a "surrender" (for example by writing "gg" or "ggwp") in a game that is not yet finished, the team loses that game.

9.6. Pauses

9.6.1. Only technical pauses are possible in the game. Possible reasons for setting a technical pause:

- Disconnection of one or more participants
- Complete or partial loss of control over the hero by a participant due to client/network lags.
- Technical problems with the equipment.
- Technical problems with the participants' voice communication channel.

9.6.2. After a pause is established, the team informs the referee of the reason for the pause.

9.6.3. Resumption of the game (removal of the pause) is permitted only after receiving confirmation of the opposing team's readiness to continue the game and with the permission of the referee.

9.6.4. During the technical pause teams shall not leave their playing places without the permission of the referees.

9.7. Technical issues:

9.7.1. If the connection with the server is broken (disconnected) by a participant who is selecting and banning characters in the character selection and banning stage (picks and bans) and if it is impossible for this participant to quickly reconnect, including if the opportunity to make one of the selections or bans is missed, the game lobby is created anew. In this case, the participants who are selecting and banning characters will have to repeat all the selections and bans made before the departure.

9.7.2. If the connection with the server is broken (disconnected) by one or more participants, the game is put on a technical pause. If it is impossible to restore the

connection for all participants after the allotted time for the pause has expired, the decision to continue or replay the game is made by the head referee.

9.7.3. If a critical error is detected, the head referee decides whether to continue or replay the game.

9.7.4. In case of replaying the game: selected and banned characters (picks and bans) are saved.

9.8. Teams that abuse gameplay bug may be subject to sanctions in accordance with the Technical Rules.

If a Team discovers a game-affecting bug during a Match, it must pause the game and inform the referees.

9.9. Matches start at the time set by the Organizer.

9.10. A 10-minute break is announced after the completion of each game (map). If the Competition match end time coincides with the subsequent match start time, the next match will be postponed until the previous match is completed and the 10-minute break expires.

9.11. Teams must join the Lobby 10 minutes before the start of each Match and 10 minutes before playing next map.

9.12. Any team that doesn't have all 5 (five) starting lineup players present in the lobby by the scheduled match or map start time will be subject to sanctions according to the following rules:

- 5-minute delay: 30 seconds of extra time;
- 10-minute delay: 70 seconds of extra time;
- 15-minute delay: 110 seconds of extra time;
- 25-minute delay / no connection with the team representative: the team that delays a scheduled start is awarded a forfeit; the opposing team is awarded a walkover.

9.13. If the delay is due to force majeure circumstances beyond the team's control, the team may be exempt from sanctions at the Organizer's (referees') discretion.

10. Compulsory uniform (equipment)

- T-short with long or short sleeves
- Jeans or trousers
- All team members must wear same design T-shirts and trousers (jeans)
- Track suit trousers are not allowed
- Neutral color (black or white) equipment is allowed

11. Slogans, statements, images and advertising on the Equipment

11.1. All participants' uniforms (equipment) must be suitable for performance in the discipline and may not display any signs, text or combination of symbols that could be offensive.

- 11.2. Uniform (equipment) must not have any kind of religious, political statements and/or images displayed on it.
- 11.3. The Organizer determines the participant's uniform (equipment) and sets the requirements for placing advertisements and sponsor/partner integrations. All advertising (sponsor/partner) logos must be coordinated with the Organizer in accordance with Rules and Regulations.

12. Final provisions

- 12.1. The Technical Rules come into effect from the moment they are approved by the Organizer. Revisions and additions to the Technical Rules require approval from the Organizer and will be implemented immediately upon approval, unless otherwise stated by the Organizer's decision. Participants will not receive additional notification of such revisions.
- 12.2. Matters not governed by these Technical Rules shall be resolved in accordance with Rules and Regulations, the Rules of the respective Types of sports (sports disciplines) / Types of competition activities, the decisions made by the Chief Panel of Judges, the WPC Disciplinary Committee, and other applicable Regulatory Documents of the Competition.
- 12.3. If necessary, in the event of discrepancies between the norms of the Technical Regulations, Rules and Regulations, the Rules of the respective Types of sports (sports disciplines) / Types of competition activities, and other Regulatory Documents, the interpretation of the norms of the respective documents, as well as the final decision on overcoming the relevant contradictions, will be made by the Organizer (Chief Panel of Judges). This decision will be guided by legal precedent, statutory analogy, as well as the principles of good faith, reasonableness, and fairness.
